# Get Your Head Right!

- Beat The Sun Up
- Wake Up Correctly (No email, No Social, Nothing To Distract Your Mind)
- Goal Set / Goal Review
- Gratitude Walk (previous day reflect, Big Wins)
- Breathing Technique (Wim Hof)
- Exercise (Business Owners Have Fit Minds, Souls, and Brains)
- Learn When You Exercise (Less Music)
- Vitamins - Fasting – Healthy Eating.....
- Go TIME!

# Your Why!

- **Understand Your Why!**

- Carry Your Why In Your Pocket
- Your Why Will Keep You Going
- Your Why Sees Light
- Your Why Changes Your World
- Your Why Is Why You Are Here

- **Not Understanding Your Why!**

- Roadblocks
- Client Issues
- Employee Issues
- Burn out
- DONE!

# Technology Importance

## Why To Have A Tech Stack?

- Technology Improves Efficiency
- Technology Is Cheap
- Technology Will Help You Scale
- Technology Can Talk To Each other

## Issues With No Tech Stack!

- **Not Efficient**
- **Spending Money On People Where they are doing Mundane jobs and not getting full value**
- **Not Scalable**
- **Work Smarter Not Harder**

# Process Automation

## Power of Process Automation:

1. Lead Capture: Websites, Landing Pages, IG, FB, Ads, Google Paid Media, (Anywhere you have a online form or online booking)
2. Data is "KEY" (Who owns the data rules)
3. CRM + EMR (Customer Relationship Management) (Electronic Medical Record)
4. Monetize Your Data (Email Drip, SMS Drip, Social Media Connection)
5. Lead – Client – Rebook – Referral – Membership – Recurring Revenue

Check Out Process:

Payment – Google Review – Social Media Tag  
\$\$\$\$\$\$\$\$\$\$

**Where Does Your Audience Live?**  
**They Live Online!!!**  
**They Are Savvy!!**

1. Your Customers Live On Google Search (Savvy)
2. Your Customers Live On Social Media (FB, IG, Snap, Tick Tock)
3. Your Customers Live On Phones (iPhone, Android)

**The Buyer Journey:**

Online Search  
Google Reviews  
Google Map  
Website  
Social Media Verification  
Online Booking

(NEW CUSTOMER– Then Monetize That Customer)
