

Customer Story Dr. Hillary T

Dr. Hillary T is a medspa specializing in injecting Botox and fillers. Dr. Hillary Taggart has been practicing aesthetic medicine, including Botox and fillers since 2014. She worked for a plastic surgeon and then Elase Medical Spas. Dr. Hillary has trained physicians and nurses for the National Institute of Medical Aesthetics. Dr. Hillary T's medspa uses personalized, natural injections to meet the aesthetic needs of patients, and she always considers your unique facial features.

Challenge

Dr. Hillary came to Growth99 in need of building a robust website that is hosted correctly with reliability and a support team she could connect with to add changes on her website on the fly.

Solution

We worked with Dr. Hillary to provide her with a professional website, including her services plus question and answers to aesthetics concerns. We included real-life photos of Dr. Hillary's patients showing the before and after looks. Everything on Dr. Hillary's website is real-life, robust, and she can easily change information or pictures by contacting Growth99 support.
