

Customer Story

Bella Medical Spa

Bella Medical Spa is a cosmetic clinic offering a wide range of anti-ageing and skincare treatment options under one roof. The motto at Bella Medical Spa is to develop long term relations with clients by giving them satisfactory treatment.

Hydrofacials, cellulite treatment, spray tanning, sexual wellness treatment, Vitamin injections are some of the services offered at Bella Medical Spa. A complimentary consultation may be arranged for clients who need time and help in choosing the therapy suited to them. A team of registered nurses, medical aestheticians and aesthetic medicine professionals offer comprehensive solutions that blend beauty with cosmetic science.

Challenge

Bella Medical Spa contacted Growth99 as a direct referral from another client. Bella Medical Spa was looking for a digital marketing partner who would look into the SEO, paid advertising and social media marketing for their website.

The website of Bella Medical Spa needed more positive Google reviews to increase their client base. They were unable to manage their business while paying the required attention to online marketing.

Solution

Growth99 centred their focus on increasing the online presence of the Bella Medical Spa website by using failsafe SEO techniques. Impressive social media handles were created and marketed for Bella Medical Spa. Due to increasing online popularity, Bella Medical Spa saw a surge in their online bookings.

The number of leads generated organically and with paid advertising increased significantly. The website of Bella Medical Spa attracted more users due to its impressive layout and candid information available about the spa.
