

Customer Story

Beauty Restored Aesthetics

Beauty Restored Aesthetics is a medical aesthetics clinic focusing on offering anti ageing and other cosmetology services to their clients. Offering a satisfactory aesthetic treatment experience while caring for clients' safety is the motto followed at Beauty Restored Aesthetics.

The staff strives to give an awesome makeover to their clients while retaining their natural beauty. Dermal fillers, injectable treatments like Botox, vitamin b 12 injections, weight loss treatment are some of the services offered at Beauty Restored Aesthetics.

The clinic offers a range of excellent skin care products to their clients who are looking for skin rejuvenation services.

Challenge

Beauty Restored Aesthetics contacted Growth99 in 2021 as they were in need of a robust and well functioning website for their business. The medical aesthetics clinic wanted to have more online visibility for their business in a bid to gain more clientele via online booking.

Being relatively new to the field of medical aesthetics, Beauty Restored Aesthetics was looking for a reliable digital marketing partner who could take their business to greater heights and also increase their online popularity.

Solution

Beauty Restored Aesthetics got a brand new, impressive website designed by Growth99 for their business. A smart SEO strategy employed by Growth99 helped to increase online bookings for Beauty Restored Aesthetics .

Growth99 helped to increase the GMB listing and positive Google reviews for the business of Beauty Restored Aesthetics. Detailed consultation sessions with Growth99 helped Beauty Restored Aesthetics to scale their business and carve a niche for themselves in the world of medical aesthetics.
