

Customer Story

Absolute Healthcare of GA

Absolute Healthcare of GA is a medical aesthetics spa that offers its clients anti-aging treatment, weight loss options, hormone replacement, and wellness treatments. IV hydration therapies, sexual rejuvenation, chemical peels, laser skin treatment, and permanent makeup are among the wide range of services that the spa provides. A team of Nurse Practitioners, Registered Nurses, and Licensed Aestheticians provide pre-treatment consultations and custom treatment plans to clients at Absolute Healthcare.

Challenge

Absolute Healthcare of GA contacted Growth99 in the Fall of 2021 as the spa was searching for a reliable digital marketing partner to scale its business. The spa did not have a robust website and wanted help from Growth99 to have an impressive digital presence. Absolute Healthcare was also facing a challenge on the SEO front of its website, which was not allowing the spa to gain the required online popularity.

Solution

Growth99 worked towards creating a new and dynamic website for Absolute Healthcare of GA. The website began attracting more leads, and the lead conversion rate increased proportionately. Since the migration to a new website that Growth99 created, Absolute Healthcare has created a strong online presence with the capability to scale its business.
