

Customer Story

Aesthetic Medical Providers of New Hampshire

Aesthetic Medical Providers of New Hampshire is a non-profit organization that works for the welfare of aesthetic medicine practitioners who have their own professional setups. The organization comprises nurses and advanced practitioners who have set out to maintain the professionalism of the medical aesthetics field. The organization provides support to aesthetic medicine practitioners to pursue higher education and helps them find the right platform to establish themselves in the industry.

Challenge

Aesthetic Medical Providers of New Hampshire partnered with Growth99 in the Winter of 2021. The organization sought help from Growth99 to scale its business with the help from the right digital marketing strategies. Despite the good work they were doing for the aesthetic industry, Aesthetic Medical Providers of New Hampshire did not have a website or any web presence before 2021.

Solution

Growth99 migrated the online functioning of Aesthetic Medical Providers of New Hampshire to a website supported by a robust infrastructure. The website was catering to the requirements of new leads with great efficiency, thanks to the robust SEO embedded in it.

Growth99 promoted the online presence of Aesthetic Medical Providers of New Hampshire with the help of a dynamic digital marketing strategy.
