

Customer Story Cherry Medical Aesthetics

Cherry Medical Aesthetics is an aesthetic medicine spa that vows to provide personalized treatment and end-to-end patient care to everyone. The spa services focus on rejuvenating the skin and restoring its youthful glow. Luxury services with affordable pricing make Cherry Medical Aesthetics the ideal destination for those seeking safe and efficient skincare.

Challenge

Cherry Medical Aesthetics was seeking a digital marketing partner with rich experience in designing a suitable reputation management system for its website. In the Winter of 2021, the spa was struggling with lead generation due to poor SEO. Lack of an impressive digital marketing strategy prevented the website from having an adequate online presence.

Solution

Growth99 migrated the online functioning of Cherry Medical Aesthetics to a new and robust website. A dynamic CRM strategy was implemented that helped to increase the lead conversion rate for the website.

The new website of Cherry Medical Aesthetics has strong SEO backing and is ranking higher during online searches.
