

Customer Story

Stillwater Skin And Medical Spa

Stillwater Skin and Medical Spa is an aesthetic skin clinic offering some of the best quality skincare services and products in Minnesota. The spa has a range of anti-aging and rejuvenating skin care treatments to enhance the natural beauty of each of its clients.

The team of experts at Stillwater schedule a personal consultation for all their clients and offer customizable treatment plans to them.

Challenge

Stillwater Skin and Medical Spa was operating its online functioning on a very antiquated website based on an unstable infrastructure. The spa did not have a strong digital presence to attract an adequate number of online visitors. Due to poor website traffic the rate of lead generation was also not satisfactory. Stillwater Skin and Medical Spa approached Growth99 in the Winter of 2021 to seek help with scaling its business by enhancing its web presence.

Solution

Growth99 migrated the functioning of Stillwater Spa to a new and more robust platform. The website began garnering more online attention thanks to the strong SEO embedded in it. The website of Stillwater Spa began getting more website visitors who were impressed with the information it provided.

With the right guidance from Growth99, Stillwater Spa has scaled its business in a satisfactory manner.
