

Customer Story

Bella Vida Laser & Aesthetics

Bella Vida Laser & Aesthetics is an aesthetic spa that provides a variety of anti-aging and rejuvenation skin services to clients. Laser services, facial therapies, dental beautification, and anti-wrinkle injections are some of the services that the spa offers. Raelyn Robinson is the owner and service provider at Bella Vida Laser & Aesthetics. She is passionate about aesthetic medicine and provides personalized treatment options to all her patients.

Challenge

Bella Vida Laser & Aesthetics started with Growth99 in 2022 to seek help with online marketing for its business. The spa was looking for a digital marketing partner having adequate experience in the field of medical aesthetics. The spa wanted to make a name for itself in the world of medical aesthetics and needed to expand its operations on various online platforms.

Solution

Bella Vida Laser & Aesthetics got a brand new and dynamic website thanks to the efforts of Team Growth99. The website was backed with robust SEO which increased its online visibility. As the website started grabbing more attention, it began amassing a great number of leads.

The new business website is capable of getting more client bookings and boosting the business.
