

Customer Story Freedom Wellness & Aesthetics

Freedom Wellness & Aesthetics is an aesthetic skin and wellness spa that offers a range of anti-aging and rejuvenation services. Weight loss, sexual rejuvenation, anti-wrinkle injections, and non-surgical facelifts are among the spa's treatment services. Patients are offered a pre-treatment consultation, a customized treatment plan, and start-to-finish support as a Freedom Wellness & Aesthetics client.

Challenge

Freedom Wellness & Aesthetics connected with Growth99 in the Winter of 2021 to seek help with growing its online business. The spa did not have a website, lacked adequate digital marketing ideas, and could not garner satisfactory business leads. The spa had poor online visibility as it relied more on word-of-mouth publicity. Freedom Wellness & Aesthetics wanted to make waves in the medical aesthetics industry in Florida.

Solution

Growth99 designed a unique website for Freedom Wellness & Aesthetics that managed to grab a lot of attention. The backing of robust SEO helped increase the website's visibility, which in turn began to garner more leads. Freedom Wellness & Aesthetics has built a significant name for itself in the world of medical aesthetics thanks to the digital marketing strategy that Growth99 implemented.
