

Customer Story Destiny Med Spa

The Destiny Med Spa is a wellness and rejuvenation spa that helps to enjoy health, wellness, and balance between science and nature with the best products and treatments available. Bodytite Pro, Laser Hair Removal, Morpheus, and Body Sculpting are some of the treatments that the spa offers. A team of experienced doctors and nurse injectors offer a wide range of solutions to their clients.

Challenge

Destiny Med Spa wanted to scale new business highs and expand their working capacity when they approached Growth99 in the Spring of 2022. The spa chose Growth99 as Destiny Med Spa was struggling with an antiquated website and marketing partner that was not providing intrinsic value. The spa was looking for a successful search engine optimization and customer relationship management components.

Solution

Growth99 began their work by designing a state-of-the-art website for Destiny Med Spa that was supported by a strong infrastructure, as well as Search Engine Optiization and Customer relationship management components. The Destiny Med Spa is enjoying its newfound popularity and increasing its base of happy clients now.
