

Customer Story

Mystic Moon Aesthetics

Mystic Moon Aesthetics is a medical aesthetic treatments clinic. Clients receive a full facial assessment with recommended procedures and medical-grade peels as per their individualized needs. Their goal is to make their patients look fresher.

Challenge

Mystic Moon Aesthetics approached Growth99 in the Spring of 2022 as it sought a reliable technical partner to help scale its business. Before Growth99, Mystic Moon Aesthetics had an antiquated website and lacked SEO and CRM to convert new clients.

Solution

Growth99 worked on migrating the Mystic Moon Aesthetics online business to a new, dynamic, and robust website. Growth99 worked on every aspect of the website, like local SEO and online reputation management to make it a success. The lead generation rate began to increase quickly for Mystic Moon Aesthetics.
