

Customer Story Royalty Wellness Spa

Royalty Wellness Spa is a medical aesthetics and wellness clinic that offers a range of anti-aging, skin rejuvenation, and holistic health services. At Royalty Wellness Spa, they take pride in enhancing the natural beauty and helping their clients feel confident. With over five years in the med-spa industry, their knowledgeable staff is experienced in providing safe and unique care. They also offer affordably-priced rejuvenation services that are personalized just for the clients' needs in an intimate and friendly environment.

Challenge

Royalty Wellness Spa contacted Growth99 in the winter of 2022 to seek help with a makeover of their online functions. Royalty Wellness Spa partnered with Growth99 to help them build up an online web presence and convert more leads.

Solution

Growth99 went full steam ahead to ensure that they offered the best digital marketing experience to Royalty Wellness Spa. Powerful lead generation tools helped increase the number of online bookings via the website of Royalty Wellness Spa. Growth99 designed an AI-enabled feature to help improve the lead conversion rate for the website of Royalty Wellness Spa.
