

Customer Story

Melt Lipotherapy & Wellness Spa

Melt Lipotherapy & Wellness Spa is a medical aesthetics clinic offering skin-friendly treatment options for facial aesthetics, skincare, and body contouring. Only the most superior quality of products and medically tested treatment techniques are used at Melt Lipotherapy & Wellness Spa.

They've treated hundreds of patients with the most innovative equipment that produces optimal results and provides solutions for various concerns. They've received specialized training and adequate education as they're determined to learn the latest techniques in the industry. Melt Lipotherapy & Wellness Spa's top priority is to build long-lasting client relationships. Their first step begins with a consultation and customized treatment plan tailored to the specific needs of our patients.

Melt Lipotherapy & Wellness Spa also specializes in using advanced medical-grade products and learning the recent evidence-based skin health procedures. Their treatments are carefully performed to ensure natural skin plumpness and a refined, youthful appearance.

Challenge

Melt Lipotherapy & Wellness Spa came to Growth99 in the spring of 2022, seeking help for all aspects of digital marketing for its business. Melt Lipotherapy & Wellness Spa decided to work with Growth99 as a viable marketing partner to build a fantastic website, help with Google My Business SEO and help with Google reviews and online reputation. Before Growth99, Melt Lipotherapy & Wellness Spa struggled with GMB SEO, a great interactive website, CRM, and reputation strategy.

Solution

Growth99 helped to migrate the online functioning of Melt Lipotherapy & Wellness Spa to a website that had a dynamic infrastructure. The SEO strategy devised by Growth99 helped Melt Lipotherapy & Wellness Spa grab more views and increase the website traffic. Positive Google reviews started increasing due to the digital marketing efforts of the Growth99 Team. The reviews helped Melt Lipotherapy & Wellness Spa get its deserved share of online popularity.
